*We are thoughtful of our grandparents who
 are not able to attend this celebration today.*

We love them very much!

*We would like to thank all of you for being
 here to celebrate with us. This day was made
 magical because we are surrounded by friends
 and family. We would like to say a special
 thank you to our parents for their unconditional
 love and support, and for helping us to become
 who we are today.*

*Love,
 Taylor & Heidi*
